

CHILD OP BOOKLET DISTRIBUTION

- The LEL Program team was tasked with distribution of this booklet to LE Agencies throughout the State of Florida
- The LEL Team was advised they were to track distribution
- A report form was created and used to identify agencies that have received the booklets and the quantities

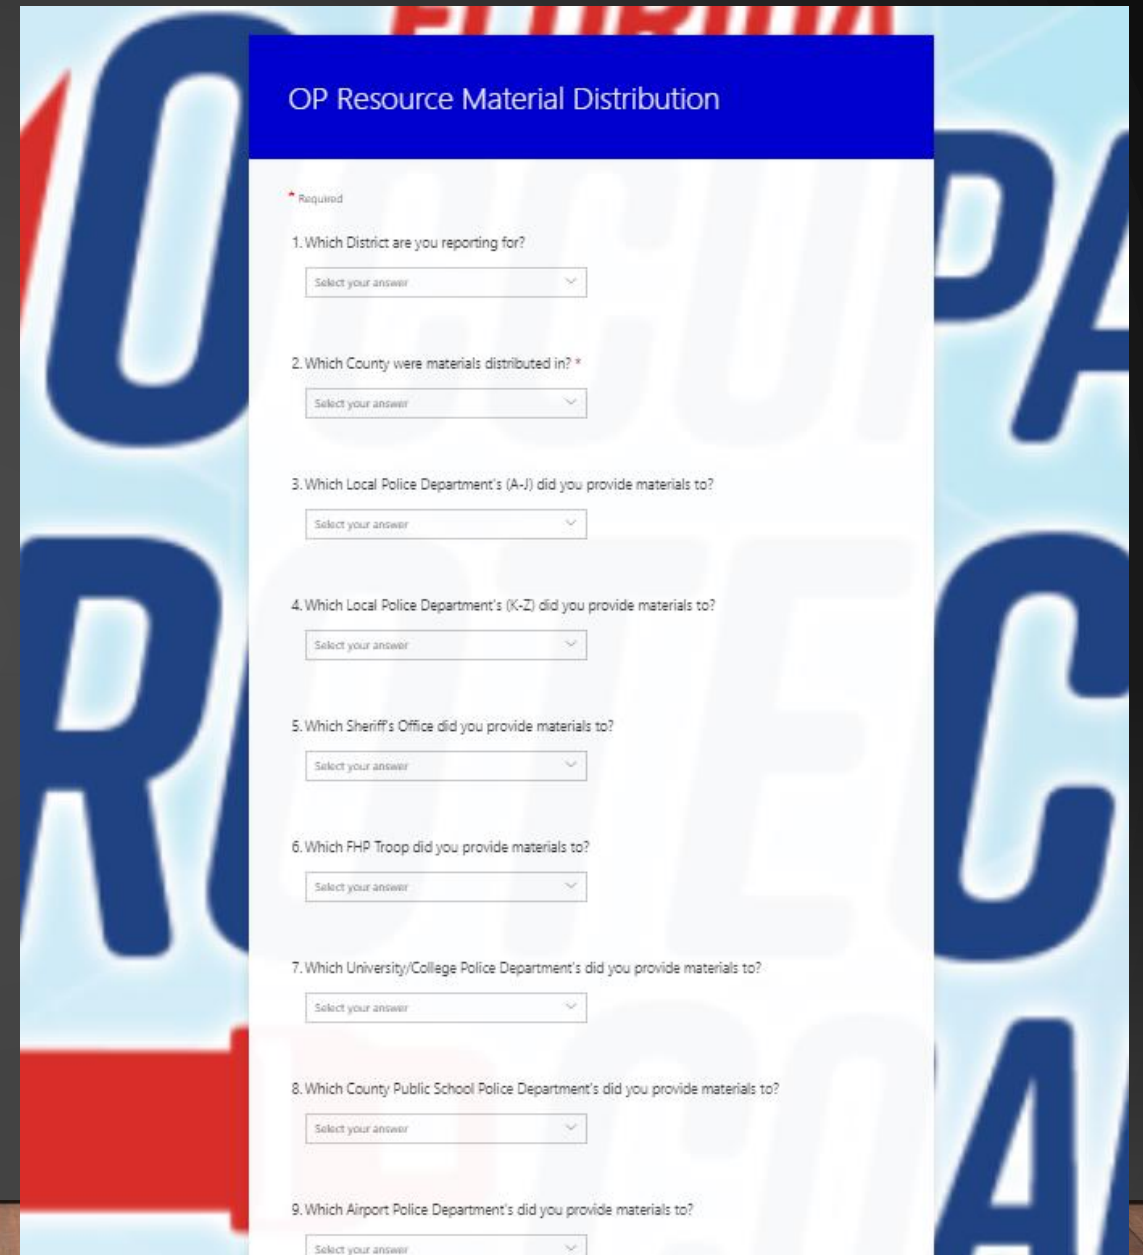

A form was created on the LEL TEAMS site

The form can be used with a smartphone, tablet or laptop computer

All LELs have access to this reporting form which is updated in real time

LELs were instructed to make an entry for each agency they distributed the booklets to

The image shows a screenshot of a web-based reporting form titled "OP Resource Material Distribution". The form is set against a background with large, stylized letters "O", "R", "P", "A", "C", "A" in blue and red. The form itself is white with a blue header bar. It contains nine numbered questions, each with a dropdown menu for the answer. A red asterisk and the word "Required" are visible at the top left of the form area.
